**-Speaker jam was a great success. Thank you to the ones who were involved in getting it together.**

**-Will try to have more information next month about National Night Out. There will be a learning day with a fund raiser if anyone is interested in being involved. PR guidelines will be followed for this event. We need to get this moving pretty quickly so we can be prepared. We will do the best we can to be as involved in as many locations as possible. It was suggested that if anyone is worried about their personal anonymity, they could volunteer to man a booth in another area. Question: Is each city inviting us to be involved? Answer: This is national and NA as a whole was invited to participate.**

**RCM Report:**

Hello Family,

We met in Bedford for the 2 day GSR Assembly on April 16-18. We tallied the voting on the CAR and CAT motions. The results are available online at car-na.org. You can also update your meetings and add your events at this site. I have fliers for each GSR with this information. Please take one and use it.

I took, to Etta the PR chair, our concerns about National Night Out and she agreed to do a learning day for us. Her position changes as of June so it will have to be in May. I contacted Thomas with this information.

The region has decided to contact World concerning a person we have recommended for a position at World. This was due to a breach in her role as a trusted servant. The letter is in the minutes for anyone who would like to read it.

We will meet in Charlottesville in June.

ILS,  
Gail F.

Hi Family,

Steps to Recovery has moved to a new location. Day and time has remained the same, Monday at 12 noon. Steps to Recovery is a great step study. Our attendance has been good; however, we need support in filling positions in the group. We would like more people to get involved so we will continue to grow.
