Open forum for 15 minutes: Survivors and Recovering Vigilantes are still missing some of their literature order. Tiffany the former literature chair informed them that she had mailed whatever she had received to the Area mailbox. Jeanine did check the mailbox and found a notice that there were some items in a different box, she will go to the post office and check the other box. Paul will be working with them to resolve. Kim thanked Krista for doing an amazing job with the New Year's Eve event. Krista will bring the budget and flyer for our next event to Area Service in February. Jimmy F. volunteered to help with the planning of food and Kim A. volunteered to secure the location which will be in South Boston. **This event will be on April 25th from 12-5. It will be a talent/ un-talent show so start practicing!! We are anticipating a fun time and great fellowship for all!! Watch for the flyer which will contain all the details.**

Final Chair Report – January 5, 2020

This past month I passed along the info from our AVCNA Chair to you via the newsletter and I helped our Secretary and webservant get the minutes posted. If anyone is not subscribed to our newsletter and would like to be, please go to the area website and enter your email address where you see the option. Also if you need that info, please ask for it and I have a few copies here today to share with you. I updated the meeting list online and the database and I sent World the updated meeting information that you turned in to me at our last meeting.

Thank you for the opportunity to serve this area in this capacity these past 4 months. I regret the GSR's didn't choose to nominate me to serve a full term, but I wish Paul the best of luck and hope he gets all the support from you that you can give. It's important for our leaders to follow through on what our members have elected them to do and I know I have done that to the best of my ability. The first 3 months of my short commitment were spent trying to bring some unity and cohesion to this body. There were times when it felt like personalities over principles, but by November it began to feel like we had the loving spirit of our program at work. Together with Tiffany, Jeanine and Free State, I was able to straighten out the literature orders and get our groups their literature. I turned that task over to our very capable Vice Chair last month and hope that he was able to follow through and you have your literature here today. I hope you will elect a Vice Chair here today to help Paul with the many tasks that will fall to him to take responsibility for if he is voted into the Chair commitment and you fail to elect new Vice Chair, H&I, Policy and Literature Chairs.

Again, thank you for the trust and faith you placed in me to be our Area Chair these past 4 months and I hope I have not disappointed you.

In loving, grateful, accountable service,

Kim A

Vice-Chair:

Hello Family,

I'm finally settling into the position and feeling more comfortable. Taking care of the literature has been a challenge due to me not asking questions. I have never worked on a literature committee so I'm not sure why I thought I could handle it. I will ask questions today or if there is someone that has held the position that I could pick your brain after the meeting.

Yours in service,
Paul H

Hospitals & Institutions:

I'm really sorry I'm not able to attend our ASCM today. I have been out of work since before Christmas sick, Friday was my first day back at work and I have to work again today. I have sent the H&I schedule out for the next 2 months, I am stepping down and nominating Deborah C. as our new H&I chair and she has accepted with my promise to mentor her, I would also like to ask if we could make a co-chair position, if so I'd like to nominate Annette K. and she to has agreed with the promise of mentorship from Deborah and I. Meetings are well attended, still need to get with Chaplin Abernathy about the men, carrying the meeting in and locking down a day and time that works for both the facility and the volunteers. I will continue to work on this. I am also going to be setting up a new orientation for the hospital, please announce men and women Monday 630-730 have members interested to contact me asap.

I have so enjoyed my years of serving as chair and as a volunteer. I look forward to serving again when my schedule permits.
