Meeting opened with the Serenity Prayer at 2 pm

12 Traditions read by: Cameron

12 Concepts read by: Mike

Purpose read by: Lawson

Open forum for 15 minutes:

New Hope meeting wants to use the clarity statement in their prologue. They were given feedback about other groups experience using it and how it doesn't change things with the way people identify themselves in meetings.

Do we need to vote in a webservant since they are part of PR.

Will be revisited during new business.
