Motion made to accept Treasures Report by Karen and seconded by Robin 10-0-0

Discussion regarding how much Treasurer was supposed to send to Region came up again. 30% of anything above 1200 is what is supposed to be fund flowed to Region. Treasurer will begin including a new line item for Regional Donation in his monthly report

RCM report – June 2012

There was no regional meeting in May so there is nothing new to report. Region will be meeting on June 16th. There is a good possibility I will be unable to attend, and in that event I will be sure to get you the information. We don't have an RCM alternate so maybe we can vote in a new RCM today or perhaps some one can volunteer to just go for us in June because we did have our two votes to carry.

PR Reports:
Greetings Family,

New meeting lists were printed and picked up. Me and Alex S went to the Danville Public Library and set up a new literature rack which was very well received. I also delivered a new literature rack to Mary Kay in Martinsville. We have been pleased with the Trac Phone reception. Alex received 5 in May. He also let Mary Kay and Andrew know about a church that was available in Bassett from a call that he had received from a pastor. Please let me know any ideas you have to help carry the message out to the public. Thanks. ILS Robin

Webservant Report – nothing new to report. The website was updated with the minutes and events as I received them.

Thank you!

ILS,

Kim A
