Hello Family

We finally have a new chaplain at the jail. I will discuss several topics with him. First is how soon we can schedule an orientation for new volunteers. I will also ask about the double-scheduling of volunteer groups at the women's jail. Other than that, all is well.

In loving Service Krista H Love & Respect.

Literature Report:**Activities Report:**

Hey family all is well with Activities. WE have to cancel the chili cook-off this year due to poor planning. The Martinsville facilities were booked and they required at least 2 months notice. That being said, New Years Eve? I will be asking the GSRs to talk to their individual homegroups and ask if they would like to have a speaker jam/dance. We say this due to lack of participation at AREA events.

PR Chair Report:**Phone:****NA HELPLINE STATUS REPORT**

September 7-October 4, 2025

Good afternoon. The helpline went well for this period. We have received three phone calls since the last area meeting. I provided meeting time and location information for each caller.

I would like to express my gratitude for the opportunity to be of service to the Southside Area of Narcotics Anonymous.

In loving service,

Carolyn T.

Webmaster Report:

Hello Southside Family,

Firstly, I would like to apologize for my recent absence at committee meetings. I have had a lot going on in my personal life with starting a new full-time job and school. I also want to take responsibility for my recent lack of fulfillment in my webmaster commitment. I know that I have had delays in uploading the minutes to the website. I know that I have delayed, or sometimes not at all, posted celebrations and events to the website. I would like to apologize to the area and the members within the area. I apologize for letting myself allow that to happen.

Secondly, after giving it much thought, I have decided that I am no longer willing to continue my webmaster commitment after the end of my term this year. I no longer have the desire to perform the commitment. I am more than willing to show someone else how to do it. The new person will need to have a computer, and it would be helpful to have a printer that has scanning capabilities. I am willing to answer any questions that anyone may have about the commitment.

I do understand that there will be times that the new webmaster/area will need help with "backdoor" related things associated with the website and hosting provider. I am willing to help with that whenever needed. I know that most people will not know how to do that.

I apologize for my absence at the meeting today, I have had yet another death in the family. I must attend a funeral today.

I love you all and hope to see you soon!

In loving service, Dewey Cash roofceo2021@icloud.com
