CAR-CAT Workshop Flyer, CAR = Conference Agenda Report, CAT = Conference Approval Track

The Conference Agenda Report (CAR) and the Conference Approval Track (CAT) are compilations of motions that have been brought before Narcotics Anonymous at the world level. Just as we have motions and business meetings at the group levels, area levels and regional labels we also have them at the world level. Once every two years Delegates from each region in the world bring the tally of their region's votes and submit them at the World Service Conference (WSC). The CAR and CAT are made in preparation for the WSC. We have a voice in our fellowship: Come to our workshops, Vote on literature, Vote on our planning ideas and other ideas affecting our fellowship, Learn what is being proposed. Let's work together to vote on better ways to carry our message. The CAR and CAT are available at na.org/conference
