Area Chair Report 1/05/25

Hello Family,

I am unable to attend the area meeting today. I was released from the hospital after a 5 day stay where it was determined that I have blood clots in my lungs and some heart failure. So I am recovering at home. I am not sure how I stand in terms of the attendance policy so do what ever you feel is right.

H&I Report:

Hello family;

H& I needs volunteers!!!! There is one more reorientation for the jail 2/11/2025 @ 6pm. As of now there are only two men that are able to go into the mens Jail and the city farm, thats two meeting a week, 4x a month for the men. That is too much to ask of two people, If there no more male volunteers this is a commitment that we could loose!!! We have enough women to cover three weeks out of the month. We are in desperate need of more volunteers. I will be working with Charles the Activities Chair to arrange a fund raiser for Basic Texts for the jail, both the mens and the women sides. We cannot keep Basic Texts in the Jails library; which is a good thing. My goal for the this year is to put 100 Basic Texts in the jails Library. Reverend Abernathy is working on dates for new volunteers orientation. As soon as I have that information it will be announced and put on the website.

Activities Report:

Hello family, we will be hosting our first activity on March 8th from 12 to 5 pm, at 314 West Main Street in Danville which is Ascension Lutheran Church. During this time we will be raising funds for the next event. We were able to secure the facility for \$50. I am requesting area raise the budget to \$125 a quarter. The cost of living has hiked. The speaker jam is entitled Clean Speaks For Itself. Covered dishes are needed!!!!

Policy Chair Report:

Southside Area Policy Committee Report

February 2, 2025

There is a lot of work to do with the policy of the area due to it not being updated for several years.

I received all the motions that were passed since 2022 from Charles and Dewey. I reviewed those and have noted if they affected policy and then have them in place to

make the updates to the document.

When the policy is updated, the front title page will show the month and year of the update.

Some notes based on my review of the policy document in general. Some of these are things that I will be bringing up separately over the next year.

1. There is no contact information for anyone on the Administrative Body on the minutes.

2. There are notations regarding the area using consensus-based decision making and then the basis of Roberts Rules of Order. These are very different ways of decision making, one requires a vote and the other discusses the issue until everyone agrees (simple terms).

3. The formatting of the document needs to be consistent. I will make that change when I update it.

4. The previous budget/expenses for the year is dated 2012. Can I get a newer copy to add to the policy?

More to come.

In service,

Shelley L. (443.721.8163)
