The Blue Ridge Area believes that the lack of in-person events has caused a considerable toll on willingness to participate in regional service.

Amendment to Motion,

This does not include presenters who could be at the GSR Assembly.

Pro: To foster a more authentic connection to our fellow members in service

Con: Would limit those people who cannot drive to attend

Pro: Allows for whoever is going to be coordinating to be able to have lunch and a venue.

Con: would limit participation to people with disabilities
