Web Servant

The website activity was extremely limited this month. There were only one or two event requests to approve. Please remind people that they can go to the website to submit their announcements to make it easier for people to keep track of the anniversary celebrations and other recovery events.

I hope everyone enjoys the super bowl!

Love and hugs,
Kim

Steps to Recovery

This meeting is doing well. It runs from 12:15 -1:15 every Monday at the Grace Design Church on Franklin Turnpike in Danville. We have 1 homegroup member who fulfills the Treasurer's commitment and another member who is committed to the meeting and fulfills the Secretary Commitment. Currently the Chair commitment rotates back and forth between these two members. The meeting needs other members who might be willing to commitment for the 30 day chair commitment from time to time. We, of course, welcome all members and have been

happy to be able to carry a good message of recovery with an average of 8-10 members each week. We had a great first step speaker in January and haven't yet chosen our February 2nd step speaker. We read out of the It Works How and Why book each week and on the last Monday of the month we have a speaker who speaks on the step of the month.

In loving service,

Kim A
