Chairperson Report:

Hello Family,

I feel that we are moving in a positive direction and taking care of important business. I am hoping that we have a nomination for RCM today. The next regional meeting is on 10/19/24. Although these meetings are virtual and easier to attend, they are important positions that need to be filled. I know that we have a motion vote coming back from home groups today about updating the policy. From past discussions at the area, it seems that updating the policy is needed to allow better understanding and lessen confusion.

In Loving Service,
Paul H. Area Chair

Literature Report:

Hello Family,

Unfortunately I am unable to attend Area Service this month but I am with you in spirit. I did not have any orders for August. We discussed placing a bulk order of literature to keep on hand at our monthly meeting last month. At which time I was asked to come up with a list consisting of frequently ordered literature. I have done this and attached a copy to my report.

Thank you,
In loving service,
Barb S.

Activities Report:

The chili cookoff is coming up soon. October 19th is going to be the best date. I will get with Ascension Lutheran Church about having the chili cookoff at their facility. I will get a flyer and information to the webmaster so that it can be added to the website. I will reach out to Pathways Church about having a policy review on November 16th.

In Loving Service,
Krista H

Phone Line

Hello Family! All is well with the phone line. We received 2 phone calls in July. We helped a lady find a domestic violence shelter. Also we helped a lady in South Boston understand the meetings and how we are an anonymous program in which she doesn't need to call ahead.

In Loving Service,
Charles P (Phone Line)

Webmaster Report

I unintentionally forgot to add the open motion that is on the floor to the minutes last month. Therefore, the copy of the minutes that I sent out and posted to the website last month are not correct. I can only assume that homegroups were unaware of the motion that is on the floor because of my error. I apologize to the area for the mistake and ask for advice on what should be done regarding the open motion moving forward.
