**H&I Report**

Good day all,

Both the jail and hospital meeting have been well attended and the message seems to be well received, it is so refreshing to see those

that do not have access to regular meetings, actually involved and sharing. The scheduling has been much easier since the last orientation, we have been able to fulfill our weekly commitment to both facilities. There was a week that was not covered at the jail, and no communications were made. This is not good, we need to all be responsible and communicate, so that I as the Chair, can try to cover the meeting or at least let the facility personnel know that we are not going to be able to bring the meeting in. Also last week at Southern VA we were not able to take the meeting in, however because I did know in advance, I was able to reach the facilitator and let him know in advance we would not be able to come. This week, the hospital meeting will be "closed" due to the federal holiday, I have informed the subcommittee members, and we will be back on track the 15th.

Also I contact the Secretary at Ascension Lutheran Church regarding the H&I/PR workshop dates, either of the two dates work for the facility, so the next step is to decide on the date and I have a form that needs to be returned as a notice of reservation.

That's it!!

ILS, Helen M.
