Review of minutes for July and approval

**Chair Report**

Hello NA family,

Since last we met, three recovering addicts have volunteered to go into the hospital. One was oriented in July and the other two are experienced in H&I and are going to cover second and fourth weeks in August. It looks like we will be taking meeting into Southern VA and the Danville Women’s jail every week. Thank you for your service. GSRs will you continue to communicate with home groups that we still need volunteers so that we can continue to consistently carry the message into these two facilities, and so that we can recruit enough men to go into the Men’s jail too? Any men interested in jail meeting, please contact Lawson. Anyone interested in H&I please come to Area and let us know. We still need an H&I chairperson, but Area is where we can get you started.

I was at a meeting recently where the group used meeting time to conduct group business and discuss a booklet that was created to help home groups deal with issues of disruptive behavior. I believe Group Conscience is the time and place for this, not during the NA meeting. I was thinking we might have a Learning Day about following the Traditions. Anyone have any positive ideas or experience to share?

ILS,

Dawn K. Chair
